## Global Securities House

**Company** GSH is an international real estate investment advisory firm based in Kuwait.

**Briefing** A timeless and elegant design was created by using cherry umbra veneer in combination with a burgundy red leather finish on the executive chairs. The interior design and space planning was successfully achieved by Al-Muhalhel and thanks to the superior craftsmanship the client's expectations were met. Bene and Wilkhahn products were perfectly compatible with the high end interior and finishing of the space.

**Furnished zones and areas** Chairman office, waiting area, executive manager's offices, meeting room, cellular offices, secretaries.
